

A photograph of a paved path leading through a lush green landscape. The path is flanked by tall grass and dense foliage. Large trees with green leaves are on the left, casting shadows on the path. In the distance, a small building is visible through the trees. The overall scene is bright and sunny, with a clear blue sky.

HERBERT PHILIPPO ALLOTMENTS – PLOTS STILL AVAILABLE FOR RENT!

The Parish Council still has some allotments available to rent, opposite the School in New Road.

These allotments were intended to help bring an income into the village and therefore the Parish Council do not wish to leave them unallocated. The allotments are ready for use with water available from a central tap. Sheds are permitted on individual plots with prior permission. The allotment area is fenced to prevent rabbits stealing the produce! Rent is currently £30.00 per annum and due in September. Manure is occasionally provided for tenants use at no additional cost. Weed killing has regularly carried out to the central access road and all un-used plots. A gate has been installed across the access road to prevent unauthorised parking by non-allotment holders.

If anyone is interested in taking on one of the empty allotments, please contact the Clerk.

Hevingham Primary School

Run up to the Royal Wedding!

For the celebration of the royal wedding, Hevingham Primary worked with the Laurel Club to put together a three-course menu, which the members of the Laurel Club could enjoy on the wedding weekend. We chose ingredients from Asda and Tesco so we could keep it an affordable meal, we also designed a royal wedding cover for the menu. The winning menu was tomato soup, followed by roast beef, & eton-mess! Closer to the wedding, we had a very special assembly and we were given our excellent medals – we wore them with pride and had photographs taken to go in the local newspaper. On the day of the wedding, I watched it on TV with my family; I couldn't stop watching, her dress and veil were gorgeous.

I am sure everyone was very happy & we all wish Harry and Meghan a wonderful life in the years to come!

HEVINGHAM LADIES CLUB

Hevingham Ladies Club meet the third Wednesday of the month in the best room of the Village Hall at 7.30pm. We are not a W.I. as people label us but a small friendly group who get together as a social fun gathering. Each month members take it in turn to stage their night and produce whatever they choose and provide refreshments and raffle. The number is usually between 15 and 20 ladies. The evenings vary from speakers got in, quiz nights, bingo, crafts or even a visit to the Theatre or any other outside adventure. Anyone wishing to join our little club is most welcome to come along and do so. If you would like to attend any of the monthly meetings at any time as a guest then you are most welcome at a charge of £2.50 which includes refreshments. As we don't actually have anyone as our leader and you require further information then Caroline on 01603 755355 would be willing to speak to you. Our Bingo Evening held in February went down a storm as per usual. The trip to see the production of 42nd Street by Aylsham High School Students was spectacular once again. In April we all got to do a bit of pampering to ourselves with the lovely organic natural beauty products from Neal's Yard. We have just had May's meeting which a speaker was booked for but had to cancel due to illness, so Christine stepped in to give us a demonstration on how to make soap from goat's milk, this was really interesting. Looking forward to our lunch and garden visit to Hingham in June. So, join our friendly little Club, a chance for you ladies that wish to get more social and have little more to look forward to in your lives.

HEVINGHAM SPEED SIGN RESULTS

(since last magazine)

BRICK KILN ROAD (18th Feb 18 – 20th March 18) – 20MPH LIMIT (2)

13,714 vehicles drove past.

11,657 within the 85th Percentile Limit of 27.6mph.

2,057 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 25mph.

Overall average speed 20.7mph.

Max speed recorded was 60mph at 15.45 on Friday the 23rd February 2018.

BRICK KILN ROAD SITE 2 (24th March 18 – 24th April 18) – 30MPH LIMIT (1)

12,855 vehicles drove past.

10,927 within the 85th Percentile Limit of 36.5mph.

1,928 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 35.5mph.

Overall average speed 28.5mph.

Max speed recorded was 60mph at 21:50 on Thursday 5th April 2018.

THE HEATH (2nd May – 31st May 18) – 30MPH LIMIT (3)

6,315 vehicles drove past.

5,368 within the 85th Percentile Limit of 36mph.

947 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 36mph.

Overall average speed 28.2mph.

Max speed recorded was 75mph at 11:20pm on Sunday 6th May 2018.

The **85th Percentile Speed** is the speed that 85 percent of vehicles do not exceed. Another way of looking at this is that only 15 percent of vehicles go faster than this speed, and 85 percent go at or below this speed. The 85th percentile speed may vary slightly each time as this is based on the first 85 vehicles in 100 and is dependent on the speed that the vehicles are going through the sign. This is better than taking an overall average and it excludes the odd high speeders which would give false figures. Drivers who exceed the 90th percentile have a significantly higher risk of crashing. The Police use the 85th percentile speed to set speed limits and check they are appropriate.

How nice it was to be part of the school glittering Royal Wedding medal assembly. The pupils were recognised for creating a special three course menu that will be enjoyed by members of the Laurel Club. The medals supported by Hevingham Parish Council. Organized by The Laurel Club and members of the school council the menu was chosen out of a hundred entries which included baked beans, garlic bread and fillet steak! The winning menu was cooked and served by village volunteers at the community Big Royal Lunch, May 30. The lunch was supported with a grant from BDC a community at heart fund. Cllr Paul Carrick said " events like this are important for the health and well being of people in the community, and it's fantastic to see local children getting together for older people living in their village. I'd like to thank all of the children for taking part and I'm sure everyone who came to the meal enjoyed the menu created!

Hevingham Gospel Hall

Services Sunday 6-30pm

We are out of the winter at last and can now look forward to some nice warm weather. Nice weather is always appealing to us the same as nice people, I was recently talking to a very nice man whom I see quite often, I was telling him I have been a Christian for 54 years and was telling him how God had blessed me all those years. Suddenly, he put his hand up, he didn't want to hear anymore, then he walked off. He is a very nice man as far as the world is concerned but he isn't very nice to God. Just being nice to people won't get us to heaven. We have all broken God's commandments so we all need to be forgiven, Jesus Christ, God's son kept all of Gods commandments and then was able to offer himself as a sacrifice on the cross for the sins we have all committed. Jesus said, 'no one comes to father but by me' (John 14v6). We all need to repent of our sins and ask God's forgiveness and trust in what Jesus did, there will be no self-righteous people in heaven who can say they are here because they were a nice person. Where do I stand with Gods commandments? 'Love the Lord your God with all your heart, mind & soul'. (Mark 12v30).

God bless,
Keith & Ann Medler

b. Herbert Phillipso Fund

Still awaiting the outcome of the Parish Partnership bid and nothing more has been received from the Under 5's.

c. Memorial Bench in Lay-by

The person who raised this was not present at the meeting so it was agreed to defer discussion until the next meeting.

d. Grass cutting contract for 2018

The Clerk has only received 3 quotations despite now contacting 10 different people. Following discussions, it was agreed the contract would be awarded to A M Cultivating for this season and Councillors will look into the possibility of purchasing a machine / finding a driver for the future.

e. Royal Wedding Competition

Cllr A Coldham explained that the Laurel Club would like to run a competition for the Primary School children similar to what they did for the Jubilee. Would the Parish Council be prepared to sponsor the prizes as before? Following discussions Cllr A Ramsbottom proposed a sum of £50.00, which was seconded by Cllr J Norton and agreed by all.

f. Planning

The following plan was considered:

i) 20180288 – The Old Rectory, Cromer Road - No objections

The clerk gave an update on recent planning applications: 20172126 (Plot 1, 19 Brick Kiln Road) approved, 20172127 (Plot 2, 19 brick Kiln Road) approved, 20172201 (Park Farm House, The Wilderness, Shortthorn Road) approved.

h. Greater Norwich Local Plan Consultation

i. West Broadland Green Infrastructure Project Plan Consultation

All agreed the Council had no comments they wished to make.

7. MATTERS TO REPORT

a. Clerks Report

The Clerk provided details of the fourth and fifth sets of results from the SAM sign and suggested when all sites have 3 sets of results available, these are reviewed for any action. All results are on the Parish Council website.

The Clerk and Cllr G Crane attended the Allotment Training on the 27th February and we are doing what we should be, although there are one or two minor improvements that can be made. The allotment committee will meet later in the year to discuss.

b. Youth Advocate Report

The School will be coming to give a talk on recycling soon.

c. Village Hall Report

Hire rates are increasing from April by approximately £2.00 per hour.

Cllr P Carrick advised he has spoken to The Fox PH who have kindly agreed to donate funds from their bottle bank to the Village Hall. The Treasurer should contact The Fox PH to arrange. Cllr P Carrick was thanked for instigating this.

d. Police Report

The Clerk advised there were 3 crimes in the village during December and 2 in January. Fuller details are available on the website.

e. County Councillors Report

Thanks to the group who secured the decrease in the speed limit on the A140. The next step is to agree the exact start / stop locations at a site meeting on the 23rd April.

The Budget was passed by County Hall.

The suggested transfer of control of the fire service to the PCC has not yet been agreed.

The remainder of the NDR is still on target to be open for Easter. Lessons have been learnt for the future concerning bad weather. Although concerns have been raised regarding lighting on some of the new roundabouts, Highways do not consider there to be any issues at present. The preferred route for the second phase of the NDR is still being looked at so discussions around the financing of it and a start date is a good way in the future.

Cllr D Roper will reply directly to the resident who asked how a three-mile footpath can be put in at Great Ellingham for £60,000 as per the article in the EDP.

The meeting closed at 20:50

MINUTES OF THE HEVINGHAM ANNUAL PARISH MEETING
HELD ON 3rd APRIL 2018 AT THE VILLAGE HALL

PRESENT

Cllrs D Bunn (Chairman), J Norton, A Bunn, G Crane, A Coldham, P Carrick, M Williamson, S Medler, T Palmer, A Ramsbottom, D Fox-Willis, K Medler (Clerk) and 8 parishioners.

APOLOGIES

No apologies to note.

MINUTES

Minutes of the meeting held on 4th April 2017 were agreed by all and signed by the Chairman.

CHAIRMAN'S REPORT

2018 was the first time we have experienced snow for a number of years, when this happens it causes problems for motorists and heavy goods vehicles everywhere.

The trod path on Brick Kiln Road should be completed this year as the grant has been approved by Norfolk County Council Highways in partnership with Hevingham Parish Council. The Clerk will confirm a start date when she is informed.

A SAM sign has been purchased for the village and is interchangeable enabling it to be positioned at various points in the village.

The 50mph limit on the A140 will be reduced to 40mph, hopefully this will slow down motorists and make the road safer in the future. The road must be monitored with mobile speed cameras as this is the only way to ensure motorists stick to the speed limit.

The flooding just past the School is causing motorists and children coming from The Heath many problems. We must make getting this sorted our priority as it has been a problem for the past 2 or 3 years. District Councillor Paul Carrick and County Councillor Dan Roper must get together with the Parish Council to put pressure on the Highways Department to solve this problem.

The Church is still suffering with problems caused by the theft of the lead from the roof and porch but hopefully this can be resolved in the near future.

Finally, I would like to thank fellow Councillors, the Clerk and parishioners of the village for all their hard work and support.

ANNUAL POLICE REPORT

This item will be carried forward to the Annual Parish Council meeting in May.

MATTERS FOR DISCUSSION BY PARISHIONERS

A resident stated that Westgate is still flooding and causing problems. Following discussions, the Chairman advised that as Saffron Housing have completed the works they agreed to do, it is now down to the property owners to have their own drainage checked. Drainage on private property is a private issue and not something the Parish Council can get involved in. The ground cannot take all the water we have had lately but the road drains are taking the water away satisfactorily. Cllr A Coldham agreed to contact Age Concern on behalf of one resident to see if they can provide any assistance with getting the drainage on that property checked.

The meeting closed at 19:54

**PRECIS MINUTES OF THE MEETING OF HEVINGHAM PARISH COUNCIL
HELD ON 3rd APRIL 2018 AT THE VILLAGE HALL**

1. APOLOGIES

No apologies to note.

2. DECLARATIONS OF INTEREST AND DISPENSATION REQUESTS

There were no declarations of interest or dispensation requests.

3. MINUTES OF THE LAST MEETING

Minutes of the meeting held on the 6th March 2018 were agreed by all and signed by the Chairman.

4. MATTERS ARISING

The flowers agreed for the centenarian will not be required at present as there was a miscalculation in age.

5. PUBLIC PARTICIPATION

Cllr A Coldham asked why BDC were able to grant aid £1000 to help a resident of a nearby Parish to go to the Commonwealth Games when the Parish Council were not able to provide financial assistance to a resident of their own village a few years ago. It was stated that the Parish Council must adhere to the rules set before them and can only make payments under the Powers they are given.

6. MATTERS FOR DISCUSSION AND DECISION

a. Code of Conduct complaint (Cllr P Carrick left the room during discussions on this matter)

Councillors had been provided with details of this prior to the meeting and agreed unanimously to accept the findings of BDC that the Code of Conduct had not been breached. No further action is required.

b. Finance

i) Accounts for payment

The following accounts were presented for payment and were approved:

Mrs K Medler (Expenses)	£24.96
HMR&C (PAYE x3)	£135.00
Cllr A Coldham (Hanging baskets for village green)	£60.00
P H Collins (1 st instalment on grass cutting)	£350.00

The Clerks standing order will be paid on the 5th April.

Balance at the bank now stands at £55,544.68.

ii) Hevingivers

The Clerk reported the Hevingivers have spent £198.00 of the fund they held from last year leaving £66.00 to carry forward with one event planned so far this year, which is likely to clear the £66.00 remaining. All agreed the group could retain the £66.00 for use this year with an update being given this time next year again.

c. Herbert Phillipo Fund

The Parish Partnership bid has been approved. The Clerk and Chairman signed the necessary form to enable this to be sent with a cheque for 50% of the costs (£7100.00).

d. Memorial Bench in Lay-by

Following discussions all agreed the Clerk should apply for a license to enable a memorial bench to be installed. Cllr A Coldham will forward some possible funding options to those wishing to install the bench.

e. Farmers allotments centre drive

The Clerk has received complaints regarding the amount of mud being drawn onto the road from this drive and suggested the Council take action to stop this continuing. It was agreed the allotment committee, along with the Chairman, will meet on site to assess the situation and agree a plan of action.

f. Bus shelter

The Clerk suggested a 'window' be put into the side of the bus shelter to help those waiting, to see when the bus is coming and to also aid with ventilation. Following discussions, it was agreed an arrow type slot could be cut in so the Clerk will look into.

g. Royal Wedding Competition

Cllr A Coldham explained that when the previous competition was run only one class entered but this time the whole School will take part so 105 medals will be needed. Medals are £1.00 each but can be purchased for 90p each if 100+ are ordered. Following discussions all agreed to increase the donation to cover the 105 medals needed.

h. Planning

The following plans had already been considered:

20180369 – 35 Westgate Green – Majority no objections but concerns were raised regarding size, privacy and parking.

20180441 – The Gables, Low Lane – No objections.

The following plan was considered:

20180463 – August Farm, Brick Kiln Road – No objections

i. GDPR Compliance Plan

The clerks proposed action plan was agreed. Cllr P Carrick advised he was prepared to take on the role of Data Protection Officer and this was agreed by all.

j. Hedge cutting

The Clerk was only able to obtain 2 quotes for this but all agreed to appoint Zak Branch Ltd.

7. MATTERS TO REPORT

a. Correspondence

Norfolk Age UK have written seeking a donation. All agreed not to send anything on this occasion.

b. Clerks Report

The Clerk provided details of the sixth set of results from the SAM sign which will be printed in the next magazine.

c. Youth Advocate Report

The Youth Group is closed over Easter but numbers attending remain good.

d. Village Hall Report

The next meeting is on the 16th April so nothing to report now.

e. Police Report

The Clerk advised there were 3 crimes in the village during February: 1 anti-social behaviour (on or near Leonard Medler Way) and 1 anti-social behaviour plus 1 criminal damage or arson (on or near Pound Close). This information will no longer be put on the Parish Councils website but can be accessed via www.police.uk.

The Clerk then read a note from PC G Shepherd advising of his retirement in April and his replacement, who will attend the May meeting to go through the annual report. It was suggested and agreed that the Clerk send a letter in response.

f. District Councillors Report

Council Tax bills have now been issued.

g. County Councillors Report

Cllr M Williamson raised concerns over the new diy waste charges and how this is likely to increase fly tipping. Cllr D Roper advised he will be watching to see how costs increase for disposal of fly tipping against the savings made. Questions are being raised over the legality of the charge and how diy waste can be differentiated against normal residential waste to the extent some Councils who have already implemented the charge have now dropped it. Any payments made for disposal of waste will be given a receipt.

Cllr P Carrick questioned the progress of removal of the unauthorised bollards on The Heath but nothing more has been heard.

Next meeting is the Annual Parish Council meeting on the 1st May 2018 at 7:30pm in the Village Hall.

The meeting closed at 21:05

Latest news from Broadland Chess Club!

On Saturday, May 5th the Norfolk Megafinal of the UK Chess Challenge took place. Young Danny Dawson from BCC became the Under 7 boys Supremo which means that he also qualifies for the Gigafinal to be held later in the year! There is no need to say anymore on how Danny feels about his award and his cup -I think that the expression on his face summed it up. This has to be one of the photos of the year!

Other club successes in the competition were Benjie Perry, U-10 boys -silver medal and qualifier for the gigafinal, Darcy Pashley, U-11 girls -silver and qualifier, Jack Hall, U-11 boys -silver and qualifier, Joshua Dawson, U-11 boys, bronze and qualifier, Benedict Ward U-12 boys – silver and qualifier, Ewan Pashley U-13 boys bronze medal. Many congratulations to all of our young members; lovely to see siblings in the group as well! Just to show what an achievement this is there were initially 40,000+ entrants for the competition from all over the UK!

The BCC team have safely won the Norfolk section of the Norfolk and Suffolk Cup and now await to see who their opponents will be from the Suffolk side as their matches are still to completed. They have also retained the Norfolk Chess League Division 1 title after defeating the Norfolk and Norwich B team 4-0. A couple of good wins there for the club!

Club player Stephen Pullinger deserves special mention for topping the individual leader board for Division 1 with an impressive record of 80%.

As reported last month the Broadland Mallards (Callum Fruish, Sophia Needham, David Elsey and Matthew Watts) won the newly formed Friendly League 2018 and we have a picture showing the team with their trophy interestingly titled the Stitchbury Sheild! I am sure that there must be a story behind that, perhaps I shall put on my detective's hat and get to the bottom of it before the end of the summer. The response to this new competition has been extremely positive and we look forward to running it again next season.

In the individual club competitions, all matches are now completed for the Club Championship title – apart from one. Ken McEwan and Roy Hughes are currently level on points and still to play each other. This match is always interesting as it often takes place in my dining room, this means that both the dog and I have to remain quiet at all times and hope that the phone does not ring! (Yes this did happen last year!) Paul Coppard is currently leading the BCC Challengers title but as there are still several games outstanding this title is too close to call.

Broadland Chess Club meets at the Kings Head, Coltishall Monday and Wednesday eventings at 19.30. Although we will be taking our summer break from the end of June. We always welcome new members and visitors, however it is often best to contact us first so that we can meet and greet you, if you would like further information then please see our Facebook and Twitter pages, or contact us via email atbroadlandchessclub@gmail.com.

Hevingham Village Hall

The hall continues to run smoothly with lots of regular bookings and a few new ones too, I would like to remind everyone that it's a great venue in which to hold parties, weddings, wakes, works meetings & conferences, the list is endless. The Main Hall can hold up to 270 people offering a full kitchen that can be used for any function and the smaller club room can hold up to 80 people and a bar service can also be supplied if needed (details on request). Julie Elia is our booking clerk and she is happy to discuss any enquires on 01603 754660. Our rates are very competitive for the facilities available.

I would also like to remind everybody that we have a Post Office Van offering a post office service within the village at the hall every Wednesday morning between 9-10am please try and use this service so we don't lose it!

The main halls flooring is beginning to look a bit worse for wear so in the near future we will be renovating it and giving it a nice new face lift.

Lastly but by no means least we will be saying a sad goodbye to our village hall cleaner Lorel Clarke who has worked at the village hall for 18 years, on behalf of the village hall committee I would like to say a big thank you for being a most dedicated member of the village hall team and I wish you well in the future.

The Village Hall AGM will take place at the village hall at 7.30pm on Monday 30th July 2018....all new members are most welcome!
