ii) Replacement of SAM sign batteries

All agreed Cllr G Peruzzi should order 2 batteries at the price quoted of £171.80 including vat.

iii) The Clerk had circulated additional information which required agreement so the new defibrillators have not yet been ordered. Following discussions, it was agreed the Clerk should place the order to include new cabinets however the signage and rescue safety kit included in the quote would not be required. It was also agreed the Council would not sign up to a support package for the first year but this would be reviewed in a years' time. Training is provided free of charge so the Clerk will ask for details of this.

iv) Remembrance wreath

It was agreed the Clerk should purchase a wreath for £20.00 as in previous years with an £80.00 donation on top. This will be paid under Section 137. Cllr T Bambridge will lay at the wreath at the service on the 9th November.

v) Street lighting maintenance contract

All agreed to remain with the current supplier.

b. Village allotments

i) Updates

- Mr Gaskin has made a start on the car park hedge but will return to finish when the nesting birds have gone.
- Zak Branch has been asked to cut the footpath hedge.
- As a result of contacting tenants whose plots were untidy, 4 decided to quit but 2 of those have already been taken, leaving just 2 spare which have been advertised.
- All rents have now been paid.

ii) New issues

- The latest inspection has flagged up signs of rats again but it was agreed individual tenants should deal with these themselves but ensure anything put down should be in a suitably safe container.
- It has been noted that tenants are not turning the tap off after use, only turning the hose connector off – this is not acceptable. The Clerk will remind tenants of the need to turn off the tap and empty any water from the hosepipe after use, especially with temperatures likely to start dropping.

c. Farmers allotments

The Clerk had previously circulated a proposed advert and this was agreed.

Cty Cllr D Roper joined the meeting at 19:52
