are invited to attend the

ANNUAL PARISH MEETING

which will be held at

HEVINGHAM VILLAGE HALL
BRICK KILN ROAD, HEVINGHAM

On TUESDAY 7TH APRIL 2020 at 7:30 pm

ANY MATTERS AFFECTING THE PARISH MAY BE DISCUSSED

An agenda will be issued a week prior to the meeting so if you would like something specific added to the agenda, please let the Clerk know by the 27th March 2020.

All parishioners are encouraged to attend, as this is not a Parish Council Meeting but a meeting for parishioners to raise matters and discuss issues that concern them about the village.

(This meeting will be followed immediately by the Monthly Meeting of Hevingham Parish Council)

Welcome to the Spring edition of the Hevingham News

2020

We hope you have had a lovely Christmas and are enjoying 2020 so far! Thank you again for the ongoing support from our local businesses. And thank you to all that have sent us news and events to share. Please continue to send in news, charity events and any advert enquiries to – traceymatthewson@btinternet.com. Please note- The Parish Council cannot be held responsible for any problems with workmanship. We do our best to share local businesses and trust they are to a high standard but please check reviews and get quotes before having work carried out.

Some of you may have noticed Santa and his helpers around the village at Christmas. I would like to thank Dave, Sharon, Rob, Maggie and Lucy from Berries Farm Liveries in Hevingham for taking the time to bring out their beautiful horses to help Santa. Thank you for spreading cheer. I hope you all enjoyed it as much as we did!

HEVINGHAM GOSPEL HALL - *The Street, Hevingham*

Sunday Evening Services - 6.30 pm

Refreshments afterwards

Christmas has gone and Easter is quickly catching up, the two most important events in this world.

A man said to me "Christmas is for kids", using the exact words he said.

He was right, in some respect.

Many children look forward to Father Christmas bringing presents for them, told by men not God.

The reality Christmas is for everyone (you and me).

The Lord Jesus Christ came into this world with one purpose, going to the Cross and paying the penalty for our SINS, as we are sinners (Romans 3-23) that includes everyone (you and me), of course that doesn't mean we are all SAVED.

If we want to be saved from an awful JUDGEMENT to come and a dreadful future without GOD (Revelations 20-15) we need to REPENT of our sins and ask God's FORGIVENESS.

The Bible says if we confess our sins God is FAITHFUL and JUST, He will forgive us (1 John 1-9).

The Bible, also, says, Eye has not seen, nor ear heard, neither entered the heart of MAN, the things God has prepared for them who LOVE Him (1 Corinthians 2-9).

A good question, DO I LOVE GOD AND HAVE I ASKED FOR HIS FORGIVENESS, IF NOT, WHY NOT?

God Bless and keep you safe and well.

Keith and Ann Medler.

Rector's Ramblings

Rumour have it....

It's rare to start a rambling with a rumour!!!! Apparently, rumour has it Hevingham Church is closing down! I'm not sure where this has come from, but I can confirm Hevingham Church remains very much open.

It is open daily, and we continue to worship in the church on 2 Sundays a month.

The congregation is small and stable. I do pray, as they do, the congregation will grow, and we all hope you will want to come along and join us. But be assured, I'm around and have the privilege of being part of the Hevingham Community, to be alongside you in all of life's events and to celebrate the joys of rural living.

Easter is coming!

I knew this from the first week of January with Easter Eggs and hot cross buns appearing in the shops.

It is the most special of times in the Christian year. As I write, we're in Lent. I'm reminded in Lent how we too can be directly challenged about our choices. Giving up is great and often the bit we talk about; but will we continue that choice beyond Easter Sunday? What's more powerful to ourselves, those around us and potentially the world (yes, I do believe individual small steps make a huge leap!) is our lifestyle choices.

I'm inspired by how many people have chosen to take UK based holidays rather than go abroad so reducing the pollution impact whilst others choose rail travel when going any distance rather than use their cars.

God calls us all to care for our world and all who have been created – not just people but the plants, animals, oceans etc. It has made me look at the world with different eyes.

Hevingham Church Update

I've heard more rumours about how much money Hevingham Church has. Well, another rumour is Hevingham Church loads of money! If only....

Hevingham Church was given a wonderful legacy last year which we were able to use towards the cost of the Church Roof repair. What is left is we hope to be put to effective use in the church building with plans for an accessible entrance and in due course a toilet.

The Legacy restricts the Church Council to use it for repairs and maintenance of the Church building. This means it can't be used for any work in the Churchyard nor for paying the insurance, utility bills etc. to keep the church operational. To pay the bills, the Church Council relies on donations.

At the Church Council meeting in February, the budget for 2020 was reviewed.

The planned expenditure to pay the bills of the church exceeded the income by approximately £5,500 for the year i.e. £106 per week. To give you an idea of our annual costs, insurance is £2,320, utilities are £1,000, ongoing expenses such as travel £500, maintenance of the churchyard £3,500. The regular weekly donations by the congregation are £55 per week.

So, we've a challenge!

Our bank balance is around hovers round £100 for ongoing expenses.

If you would like to make a one-off donation or give regularly to Hevingham Church to help pay these bills, please do contact the Treasurer, **Crystal Delph on 01603 754427.**

PRECIS MINUTES OF THE MEETING OF HEVINGHAM PARISH COUNCIL HELD ON 3rd DECEMBER 2019 AT THE VILLAGE HALL

1. APOLOGIES

Apologies were received from Councillors S Benton and S Howes.

2. DECLARATIONS OF INTEREST AND DISPENSATION REQUESTS

There were no declarations of interest or dispensation requests.

3. MINUTES OF THE LAST MEETING

Minutes of the meeting held on the 1st October 2019 were agreed by all and signed by the Chairman.

4. MATTERS ARISING –

The Clerk advised Highways have looked at the drainage on the A140 Cromer Road again and agreed action is required. Repairs have been scheduled although no further updates have been given. - The trees along Church Lane have now been cut and trimmed.

Mr Bambridge also cut back the area near Westgate but has not charged any additional fee for doing this so thank you to him for that. The area at the New Road end of the footpath was cleared by an unknown person – again thank you to whoever that was.

5. PUBLIC PARTICIPATION

- A resident complained about the lack of clear signage on the A140 Cromer Road at the junction with Church Lane making it difficult to see the junction to turn into it especially at night in the rain.

The Clerk had recently received this complaint via the website and recommended contacting Highways.

All agreed the Clerk should contact Highways.

6. MATTERS FOR DISCUSSION AND DECISION

a. Hevingham Under 5's

The Council were provided with a forecast and guide quotes by the Headteacher.

Based on the quotes provided the School will need a further £1,250.00 from the Parish Council, in addition to the £5,000.00 previously agreed, if they are to go ahead, with NCC match funding the project.

Providing all goes to plan, the Under 5's should re-open after Easter 2020.

Cllr A Ramsbottom asked if Hevingham children will take priority and the Headteacher explained that the Under 5's would not be able to operate in that way but all those on the current waiting list will be contacted prior to any outside marketing being done.

Following discussions all agreed in theory to meet the full £6,250.00 required but requested that the Headteacher push NPS for a fixed price to ensure costs do not escalate.

b. Handyman

The Clerk passed around details from 2 applicants, 1 of whom was present at the meeting. All agreed to appoint FM Property Maintenance due to suitability.

c. Wellbeing Initiative

Cllr S Ward outlined brief details of the meeting both he and Cllr D Holmes attended. Cllr S Ward will investigate funding streams before bringing this back to the Council for further consideration.

d. Grass Cutting Contract for 2020

The Clerk has only been able to obtain 1 quotation so far so this item will be brought back in January.

7. MATTERS TO REPORT

d. Village Hall Report The Chair of the Village Hall Committee explained that the Hall is 20 years old now and so they are looking ahead 15 years at cash flow to cover maintenance.

A forecast was circulated which indicates the committee need to put away £273.00 a month to cover future maintenance and in the current climate this is not feasible.

Whilst the committee have £5,000.00 in their emergency pot, this will not go very far so the committee are proposing the Parish Council take on the upkeep and responsibility for exterior items.

Following discussions this was agreed in principle as the Parish Council are Custodian Trustees and so have an interest in helping.

A few things need to be checked before a date can be agreed for the handover of responsibility so this will be discussed again in January.

6. MATTERS FOR DISCUSSION AND DECISION (continued)

e. Finance

i) The following accounts were presented for payment and were approved:

Norse Eastern Ltd (Autumn magazine printing)	£336.00
NPT&S (New Councillor training)	£38.40
E-on (Electricity)	£94.70
P H Collins (Grass cutting in October)	£388.00
Mrs K Medler (Expenses)	£83.22
Mr B Bambridge (Tree cutting)	£500.00
H.P.C.C. (Grass cutting in October)	£330.00
Hevingham Village Hall (Donation to new swing previously agreed)	£738.00
CLlr A Ramsbottom (Decorations for telephone box)	£27.00

The Clerks standing order was paid on the 5th November and will be paid again on the 5th December.

The following receipts were noted:

Magazine adverts	£10.00
Bank interest (Barclays)	£5.79
Allotment rents	£2,032.50
Balance at the bank now stands at	£45,945.98.

ii) Income and Expenditure for the six months to 30th September 2019 was noted.

iii) The Clerk had previously circulated a proposed budget and precept figure for 2020/2021 however the Chairman proposed increasing the precept to £13,200.00 to cover the additional costs now taken on from the Village Hall and this was agreed by all.

f. Allotments

i) The Clerk reported that all rents have now been paid.

ii) It was reported that the Open Day had a really good turnout and as a result the tenant who organised it would like to take on another plot (19) to run as a 'shared' plot for people and children interested in having a go before committing to a full plot.

All agreed this was a good idea and could be used free of charge.

The tenant is currently trying to fundraise to buy some tools for people to use on here and it was agreed the Parish Council would also contribute.

Another tenant suggested it may encourage more people if the plots were 'prepared' before new tenants took them on as they are quite difficult to get started, especially after not being used for a while.

It was agreed the Clerk should ask the 'handyman' for a price to spray and rotovate.

g. Wild Flower Meadows

Dist Cllr J Neesam advised she has not been able to get a response from BDC concerning the land on The Heath but would continue to chase. The Clerk advised only 1 tenant had replied who was in favour of the orchard being used, providing it was not at the expense of continued management of the area. It was therefore agreed Cllr S Ward would organise planting for next October.

h. Planning

Nothing to consider.

i. Housing Needs Survey

520 surveys were issued but only 22 responses were received so no further action will be taken on this. The Chairman stated that Saffron Housing have contacted him again regarding the land on Westgate to see if the Parish Council would support them in building more social housing here. The majority response was NO.

j. Meeting dates 2020

The Clerk had previously circulated proposed dates and these were agreed.

k. Norfolk Fire and Rescue Service IRMP Consultation

Cty Cllr D Roper advised there will be no reductions in engines or stations – this is really just about re-allocating funds. All agreed they had no comments they wished to put forward.

l. VE Day Celebrations

The Laurel Club will be holding a lunch and would like to be able to provide this to 60 people free of charge.

The cost is £5.00 per head so they are asking the Parish Council to fund this at a cost of £300.00. This was agreed.

7. MATTERS TO REPORT

a. Correspondence The Vicar has asked if a member of the Parish Council would like to read a lesson at the Carol Service on the 15th December. Cllr S Ward agreed.

b. Clerks Report

The Clerk read out a complaint from a resident concerning the amount of litter left in the village after Halloween.

The Clerk has since put up some simple signs in the notice boards to encourage people to put their litter in the bin.

Another resident present also commented about the state of the village at the moment.

The Clerk will ask the magazine editor if she can put something in the next magazine to encourage people to firstly dispose of their litter properly and secondly pick any up they see and put it in a bin. The Chairman will see if he can get any more litter picking equipment so a Community Litter Pick could be arranged.

The Clerk will speak to BDC for some advice and ask about the possibility of more bins in the village.

The Clerk provided figures from the SAM sign for October and November - full details will be printed in the Hevingham News.

c. New Councillor training

Cllr S Ward reported that the training evening was very informative with a lot to take in.

e. Police Report

The Clerk advised there were 2 crimes in the village during September: 1 violent or sexual offence (on or near Morgans Way) and 1 criminal damage and arson (on or near Pound Close) and 2 crimes during October: 1 violent or sexual offence (on or near Churchill Close) and 1 violent or sexual offence (on or near Halls Corner). Further information can be accessed via www.police.uk.

f. Reports County Councillor

The budget consultation is currently out whilst the new recycling centre consultation has now closed.

A planning application is expected shortly for a new recycling centre and petrol station off the NDR near the airport. In answer to a question Cllr D Roper confirmed the new recycling centre is to replace the one in Mile Cross so Mayton Wood will not be affected.

Consideration is being given to moving the Park and Ride but nothing is agreed yet.

The County Council are looking to plant a million trees in the County over the next four years.

The NDR safety report has finally been published with 89% of accidents occurring on roundabouts and 85% on just four of those roundabouts.

The solution put forward is to increase signage.

Only accidents involving injuries were counted so the statistics are not completely accurate and the NDR is unique with so many roundabouts on dual carriageways that there is nothing to compare the figures to.

District Councillor

Most of the Council's work is currently focused on the collaboration and harmonizing staff pay and conditions across the Councils.

A plan has been put forward to merge the waste collection services and there is a proposed change to planning rules to bring the Councils in line – a change from agricultural use to residential use will be dealt with by local officers rather than committee.

The new name for the website and services is South Norfolk and Broadland.

The meeting closed at 21:40

Planting Memories

Hevingham school children have been busy planting a hedge along the new trod path on Brick kiln road.

The children set off safely thanks to a grant from the Philipo fund, Parish Council and Trevor Seals.

Well done to all involved!

Hevingham Primary School – A note of thanks from the family of Jennie Giles

On behalf of Derek, Sam, Freya and family, we would like to thank everybody for their kind words and support during this difficult time.

The children have created wonderful crafts and heart-felt cards which we will cherish forever. A special thank you to the school who closed for the afternoon Monday 6th January, so everyone was able to attend Jennie's funeral service, we all appreciate your kind gesture.

Jennie was extremely lucky to work with such amazing staff and children; she thought a lot of you all.

A big thank you for all of you who supported the Xmas Fayre. We had a fabulous Santa and lots of great stalls- a great time was had by all!

A huge thanks to our Village Hall committee members Taylor & Anita Ramsbottom and Dani Gray for organising it, and to all the other helpers too. £622:00 was raised and split between the Village Hall and the new Hevingham Under Fives. Well done everyone.

From the 1st of April, Hevingham Parish Council will take on the upkeep and responsibility for *the play equipment and outside area at the Village Hall sight*.

From 1/4/20 any queries or problems can be directed to Karen: hevinghampc@live.co.uk or by all means, tell me and I will contact Karen.

Many thanks to the Parish Council for agreeing to this.
This leaves us to focus on the upkeep and increasing costs of an ageing Village Hall.

You may have noticed our dishwasher and an oven are out of action at the moment.
Don't worry – new ovens are on the way-hurray!
We've applied for a BDC grant towards them and the Laurel Club may chip in too.

On this note, I have to say a huge thank you to John Haverson for all his advice, continued support with Health & Safety issues and general DIY at the Village Hall- you've been a great help in sorting this all out.

As always, we would welcome new committee members and you are all welcome to come along to the next meeting or call me for a chat for more information.

Regular events:

Tots dance class Monday's 1-2pm

Hevingham Harmonies Monday's- 6:30-7:30pm

Hevingham Wellbeing Day

Hevingham Village Hall

Saturday 13th June 2020
10am to 3pm

A wellbeing event is being organised to promote good physical and mental health within our village. The event will consist of guests promoting local "feel good" products and services along with mental health, nutrition and physical training experts who have agreed to provide us with presentations and activities.

We will also have a "meet and chat" area with teas/coffees and cakes available.

The wellbeing day is designed for ALL ages groups and more information regarding the format of the day will be made available soon.

Please save the date and we hope to see you there.

If you would like to be involved at the event and have a service/product that you would like to promote which fits in with the theme, please contact Cllr David Holmes via david.holmes80@me.com.

HEVINGHAM SPEED SIGN RESULTS

(since last magazine)

THE STREET (7th December 19 – 28th December 19) – 30MPH LIMIT (6)

18,684 vehicles drove past.

15,881 within the 85th Percentile Limit of 27.4mph.

2,803 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 32.8mph.

Overall average speed 21.8mph.

Max speed recorded was 45mph at 16:45 on Thursday 12th December 2019.

BRICK KILN ROAD (8th Jan 2020 – 4th Feb 2020) – 20MPH LIMIT (6)

13,636 vehicles drove past.

11,591 within the 85th Percentile Limit of 26.5mph.

2,045 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 24.7mph.

Overall average speed 19.5mph.

Max speed recorded was 60mph at 19:40 on Sunday the 12th January 2020.

The **85th Percentile Speed** is the speed that 85 percent of vehicles do not exceed. Another way of looking at this is that only 15 percent of vehicles go faster than this speed, and 85 percent go at or below this speed.

The 85th percentile speed may vary slightly each time as this is based on the first 85 vehicles in 100 and is dependent on the speed that the vehicles are going through the sign.

This is better than taking an overall average and it excludes the odd high speeders which would give false figures.

Drivers who exceed the 90th percentile have a significantly higher risk of crashing.

The Police use the 85th percentile speed to set speed limits and check they are appropriate.

Norfolk's 2020 Rapid-play Chess Championship

Fifty-two chess players, from Norfolk and beyond, recently took part in a Rapid-play Congress, held at Roxley Hall in Thorpe St Andrew, Norwich.

Players were given just 20 minutes and an additional 10 seconds per move to complete all their moves in each of their six games.

The event required considerable stamina as well as chess prowess.

The joint winners in the Championship Section were John Anderson (Lowestoft Chess Club) and Stephen Orton (Norfolk & Norwich Chess Club). Both scored 4.5 out of 6 points and received cheques for £100.

Roy Hughes (Broadland) and Andrew Brett (Broadland) were joint third.

Ben Sadler (Norfolk & Norwich Chess Club) won the Challengers Section with a score of 5 out of 6 and was presented with a cheque for £130. He was also presented with the Peter Burnett Cup as the highest placed Norfolk player.

Other winners included Ken Ellis (St John's Chess Club, Norwich) who was the best performing player graded U100 and William Gu (Bury St Edmunds Chess Club) who was the best performing junior player.

Benedict Ward (Broadland) and Heather Enid Wells (Broadland / Aylsham) were joint fourth in the U100 section.

The Norfolk Rapid-play Championship is one of a series of events organised by Norfolk County Chess Association (NCCA).

John Wickham (NCCA Chair and the event's organiser) commented "Norfolk County Chess Association and Norfolk Chess Clubs offer opportunities for young and old players interested in playing slow and fast games in friendly and competitive environments.

Hopefully this latest event will help encourage others to start playing chess or return to it after a break".

Interested chess players can find the locations of Norfolk Chess Clubs by visiting:
www.norfolkchess.org/clubs.html

Our nearest chess clubs are Aylsham on Monday evenings, Broadland (Juniors in Wayford & Seniors in Coltishall) on Monday / Wednesday evenings and North Norfolk in Sheringham on Friday evenings.

There is also an Aylsham Library Chess Group. This meets on the last Wednesday morning of every month. For more details of this group e-mail:

Space for Beginner Growers

A shared allotment for young families has been started where beginner growers can learn all about growing their own fruit and vegetables. The ground is being prepared, beds are being made and seeds sown! Thank you to all who have made it possible so far with many helping hands and generous donations from compost to pallet wood. We are very excited for the year ahead. If anyone is interested in being involved or having their own plot but perhaps unsure where to start, don't hesitate to get in touch for a chat and perhaps wander down to the allotment see whats going on.
