HEVINGHAM GOSPEL HALL

THE STREET, HEVINGHAM.

Services 6.30pm Sundays (when permitted)

Hello, Its Easter time again, when Jesus Christ, Gods Son, died on the Cross that we might have forgiveness for our SINS. But we must be willing and confess our SINS and ask for FORGIVENESS and trust in what Christ did on the Cross.

God raised Him from death for our Justification, proving God was satisfied with His sacrifice. You might say, I live a good life, the Bible says we have all SINNED. Can you say you love God and have sincerely thanked Jesus for dying for you, or do you still prefer to live your own way and ignore God? I have proved God in my life.

As a young man I always had a stammer. When I was at school, I went to speech therapy classes, when I was in the Army, I was accused of trying to get out of the Army. I tried a correspondence course, still I had my stammer. Then God stepped in, He used me for over 50 years speaking the Gospel, at over 30 different places, never with a trace of a stammer.

The most important thing is my SINS have all been forgiven, can you honestly say that? I do stumble a bit with my speech now, due to old age and forgetfulness.

God Bless and keep you all Safe. Keith and Ann Medler, telephone 01603755224

Serenity & Adaptive Oil Blends. Sleeping & Anxiety

I would like to tell you all about 2 of doTERRA oil blends, Serenity & Adaptive.

Now I am sure there will be many people reading this who may be struggling with their sleep & who also maybe feeling anxious about how we are all our all living in these strange times.

I am a busy "home schooling" mum of 3 children, aged 15,13, & 11. They are all at different levels of education. Now. I am NOT cut out to be a teacher that for sure! I have found in this lock down, the demands from school & the work given to them is far more challenging than before. And this in turn, has made for some very stressful & anxious moments from us all.

However, to combat these feelings, we have all been using & befitted from using a doTERRA blend called Adaptive. Adaptive is known as the "calming" blend, among other problems, Adaptive can support the following: ADD/ADHD, Anger, Anxiety, Calming, Insomnia, Mental, Fatigue, Sleep & Stress.

How we have been using this calming blend in our household is by 1st thing in the morning before "school in the kitchen" starts, is by rubbing 1 drop into our palms of our hands & cupping them over our nose & inhaling the calming aroma along with steady & slow breathing. This is a great start to maths! I also diffuse this blend in the room where the children are working. We also apply to the back of our necks & chest area, again, a slow realise of the aroma.

Since using Adaptive during "school" hours, my children have settled & worked well. Let's face it, we all need a calming environment to home schooling don't we! Now to Serenity. This is known as the "restful" blend. I don't know about you, but our sleeping patterns have been all over the place since lock down! Whether it be you can't get to sleep, wake up during the night or sleep at different times to what you would normally do.

Serenity can also support many of the following: ADD/ADHD, Addictions, Anger, Anxiety, Calming, Hyperactivity, Insomnia, Itching, Mental Fatigue, Mood Swings, Sleep, Stress, Tension.

This amazing blend can be diffused in the air, be applied under the nose & to your back, feet & back of neck. Also, add a drop or 2 in your evening warm bath is a great start to sleeping better.

This is how I use Serenity when I go up to bed. I turn on my diffuser beside my bed. I then do the normal bits, brush teeth etc. When I come back into my bedroom, the

air is filled with the wonderful aroma. I then take a Serenity soft gel, use my normal face cream, but I have added a drop or 2 of Serenity to my cream. I then use my home-made pillow spray mist for the final aroma of Serenity.

All of my children have their pillow spray for them to use. I gave a lady who inquired about serenity a small sample & she is delighted me with her testimonial.

I have had problems sleeping for a very long time but a new job, lock down and a poorly dog compounded the problem recently.

I was taking over the counter sleeping pills, but they didn't really work well, and I was conscious of 'popping pills' all of the time.

Mags suggested I try the essential oils that help her and her family. Mags made the point that they are not just any old essential oils. That they are among the 1% of essential oils that are 100% pure. She shocked me when she said that most oils you can buy have only 8% pure oil, still marked pure even though the bulk in each bottle is synthetics. She is the font of knowledge, is Mags, apparently that is allowed as it is an unregulated industry. I was sceptical having played around with them years before, but the lack of sleep was starting to affect my health and thought I had nothing to lose.

Mags made me a pillow spray with an oil blend called Serenity and gave me a small sample to place directly on my skin. I was surprised when she told me I can use many of the pure essential oils on my children providing I use a carrier oil to protect their more delicate skin. I tried it for a few days, but it didn't do much (although it smelled lovely). Mags told me to 'stick with it' and to try a drop or two on the soles of my feet. Wow, what a difference.

After using Serenity for 5 nights, I truly felt the benefit. I had the best sleep I had had in months. I now use this every night, a few sprays on my pillow and a dab of oil on my chest, 2 drops on each foot. I then lay on my back breathing deeply for 4-5 minutes to relax and take in the oil vapour and I'm off into the land of nod. The lovely thing about the Serenity oil is that I can use it on the kids too when they are having difficulties sleeping. What a Bonus!
From sceptic to convert in a week

If any of this article is of interest to you & you would like to try a sample of Adaptive, Serenity or a Serenity pillow spray, then please do call me 01603 755279 & we can discuss how I can be of help to you.

In the meantime, stay safe, look after yourself.

Norfolk FLOW SCREED

THE FLOW IS STRONG WITH THIS ONE

Screed Flow Pump

Flowing or Liquid screed is a new generation screeding product. It is a pump applied free flowing, self compacting, synthetic anhydrite Screed made with a by product of Gypsum.

Using a Pumped Floor Screed means a far less labour intensive operation and may generally be laid substantially thinner than conventional materials due to the lack of voids and its high flexural strength.

Domestic and Commercial

We are able to offer quotes and services for both Commercial and Domestic properties.

Underfloor heating

Flow Screeding is an ideal choice for a smooth and level surface on both new and existing properties

Norfolk Flow Screed is part of a family run business with 30 years in the building industry, specialising in liquid screed floors. We offer Very Competitive rates with a great personal service. We can come to you and advise and cater for all your floor screed needs.

SUPPORT OUR LOTTERY TODAY

**£1 per
week**

**Weekly
cash prizes**

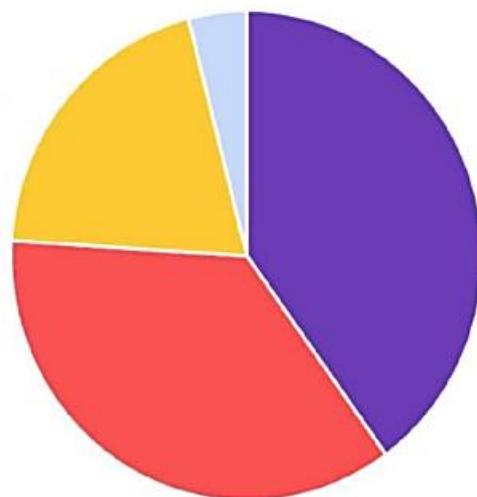

**£25,000
jackpot**

**YOUR
SCHOOL
LOTTERY**

Splitting the £1.00

- 40p** goes to our school
- 36p** goes to cash prizes
- 20p** goes to admin costs
- 4p** goes to VAT

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Hevingham Primary School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at YourSchoolLottery.co.uk by direct debit or debit card.

It's so easy to join and will make a real difference to Hevingham Primary School

The Maths... 100 tickets sold a week means
= **£30** weekly cash prize
= **£2,080** a year for our school

To start supporting, visit:

yourschoollottery.co.uk

and search for: **Hevingham Primary**

Notice from the Parish Council – Cadent Gas Works Complaint.

The Parish Council lodged an official complaint with Cadent in January 2021 regarding the continued disruption to the village as a result of the ongoing gas works on the A140 Cromer Road.

Despite seeking some compensation for the village, this has been declined.

Cadent would however like to apologise for all the inconvenience as detailed in their response below (please note the Council to which they refer is not the Parish Council):

"We are sorry to hear of the continuing frustration these works are causing.

We have had every hope of completing this work sooner rather than later, but unfortunately, we've had unexpected and unforeseen circumstances that have prevented us from doing so.

This project is not one we've planned or foreseen, so it's very reactive work, and given the scale of the pipework involved we have to tread very carefully with what we do to avoid affecting the village's gas supplies.

We've had to consistently undertake risk assessment, cope with different weather conditions, consult with multiple operations within our company to be able to make what progress we've been able to make.

It was originally our intention to complete works in January; however, this was prior to discovering other leaks on site and the job now increasing in size to over 12 times the original plan in order to complete a more substantial and effective repair. It is equally as disappointing for us to try and estimate a completion date only for the work to drag on any longer, so we are trying to avoid setting further expectations unless we are more than confident we can keep to them.

We are genuinely sorry for this disruption, but it all is classified as emergency works and we are liaising with the Council and Highway Authority to keep them in the loop, and to ensure the site set up meets their approval, as with any of our works with this level of disruption we have to go by their say so in regard to how we have our site set up. Please continue to bear with us and hopefully these works will be completed as soon as possible. We thank you for your patience and know these works have been far from pleasant for everybody affected.

Update on the roadworks, potholes, repairs.

Many people have asked for updates on what is going on regarding roadwork repairs, potholes and flooding. There was a council meeting on Tuesday, but this is the first opportunity I have had to compile a response to the issues we presently face. It may be useful for people to understand the amount of power the local Parish Council (an unpaid post that anyone in Hevingham can stand for election) has over the following :traffic, roadworks, roads, flooding, the answer is - None. Reporting faults and defects is the responsibility of everyone and can be reported online to Norfolk County Council. .It would be quicker and more effective for anyone unhappy with a situation in the village to report it directly to the people who have the the power to do something about it. The PARISH Council is responsible for things that are entirely different. Details of what these are can be viewed on the front page of the Parish Council website. Please go take a look <https://hevinghampc.wixsite.com/hevinghampc>. Having said that, the Parish Council do care about the look of the village and are willing to encourage the powers that be to sort out any problems the village may experience. So, coming eventually to the issue of the gas roadworks the diversions in and out of the village has decimated our roads . I have asked members of the Parish Council to join me in a street walk of every road in the village to record and report to County Council every pothole, so we can build the need for Highways to come and fix the lot in one go. My aim is to have all potholes reported by the next Parish Council meeting in April 2021. Volunteers to help achieve this is most welcome. Let's do something about it. The more help, the quicker we can do this. The report back from our County Councillor, Dan Roper, regarding the gas repair on the junction of The Street and Cromer Road is that the hole on the left is too big to allow longer vehicles to turn left safely. The aim by Cadent is to complete this work as quickly as they can. They are only too aware that there are a lot of very upset people frustrated by the time it has taken to do this job. We have more roadworks in the village coming but Dan Roper has asked for at least one of them to be started only after the big gas repair is completed. I understand there is also one from Anglian Water that will block a road (but not so much inconvenience as the one we have now).

Rector's Ramblings

Church Services

Lockdown 3! As I write there are no services anywhere in the Benefice, which includes Felthorpe and All Saints Church, Horsford. However this year I have been live streaming, via zoom from my study, a Sunday Service at 10am each week which is then put up on You Tube.

Thank you to those who have been joining me and for your encouraging feedback. It seems this informal approach has meant a lot. If you would like the link for the zoom service live, email me at revmargaretmcphee@gmail.com or watch the services on You Tube Channel Margaret McPhee. They are also posted on our revamped website www.horsfordbenefice.org.uk

The Church building remains closed because of Government restrictions but the church is still here! For those who love coming to the services at Hevingham Church, unfortunately, it won't be possible until later this year, we hope and when we can ensure a COVID-19 secure building.

Funerals can take place in the churchyard. Do remember the wedding couples as they hope to get married at some point this year; it is a difficult time for them as they make plans, often adapted from 2020, to mark a significant point in their lives. There are also families waiting to have their children baptised; again, we're having to wait for Government restrictions to change before these can go ahead.

Lent and Easter

Lent is a time for Christians to reflect on their choices, the way they lead their lives and to adjust and take positive action to make the world a better place. Often this involves giving up things but will we continue that choice beyond Easter Sunday?

What's often more powerful to ourselves, those around us and potentially the world (yes, I do believe individual small steps make a huge leap!) is our life style choices.

It is also a time to reflect on our relationship with God. God calls us all to care for our world and all who have been created – not just people but the plants, animals, oceans etc. In the first Sunday of Lent service is the story of Noah. At the end God promises he will never again destroy the world and that a ribbon – a rainbow – in the sky will be a reminder of this special promise.

In lockdown we've often had an opportunity to sense of the glory and wonder of creation, hearing the birds sing, noticing plants, discovering new footpaths and so on. As we journey over these next few weeks, may we all be reminded of the beautiful world we live in and the creation we're surrounded by which gives hope, even in the middle of this deadly virus.

Be safe, take care and thank you to everyone who are making people's lives better as they support others in this difficult time.

From the Registers

Our prayers for the families and friends of those whose funerals have taken place:

Jennifer Ellis, 21 December 2020 and John Bambridge, 26 February 2021

Have a Happy and safe Easter, Revd Margaret McPhee, Rector

Walking Steps For The NHS

Hello, my name is Simon Kindleysides, I'm from Blofield, Norwich.

I'm known for been on TV, A World Record Holder & the First Paralysed Man to walk The London Marathon using an exoskeleton suit in 2018.

I've raised thousands & thousands for charities over the years, so I want to do some more.

This lock down is driving everyone crazy mentally & physically so I wanted to push myself againSo what am I going to do.

I am paralysed from the waist down, yet I get to walk using an exoskeleton suit, an average person achieve 2000 steps per 1 mile walked. So, I'm going to WALK 4 miles a day for the whole of February 28 days .So that works out roughly 8000 steps per day equals to roughly 224,000 steps for the whole of February which equals to 112 miles.

I'm raising money for the Norfolk & Norwich University Foundation Charity Trust- NHS as I believe they need as much help as they can get at the moment, with what is going on...

Money, I raise it's going towards ICU & towards a children's operation theatre.

So every step I take is a breath for someone who needs it.. let's help me make a difference :) Every donation would mean the world to me :D so let's raise as much as we can #NHS.

Editors note- Simon sucessfully completed his Walking for the NHS in his Exoskeleton suit walking 125 miles in 28 days!

A total of 234,501 steps! And £12,730 for the NNUH Charity Norfolk & Norwich University Hospital Nhs Foundation Trust.

Simon finished his walk at Whitlingham Country Park..

Simons Go Fund Me is still open and accepting donations so please pop over to his page and donate to this Inspirational man and his amazing cause.

Please follow this link to donate -

Hevingivers Drawing Competition

Hevingivers held a drawing competition for the children in the village.

This was sponsored by Frank Martinez building firm.

Thank you Frank...

The theme of the competition was to draw something the children like about our village.

Entries were sent to nanny Sharon and all the children done amazingly well.

Take a look at these wonderful pictures, all winners.

Well done everybody and thank you for taking part and sharing your wonderful talents.

Amber Coates : I love to walk around the village and see the horses in the fields.

Nathan Coates: I like the pigs in the villages. Found it funny when one had escaped and was running down the road.

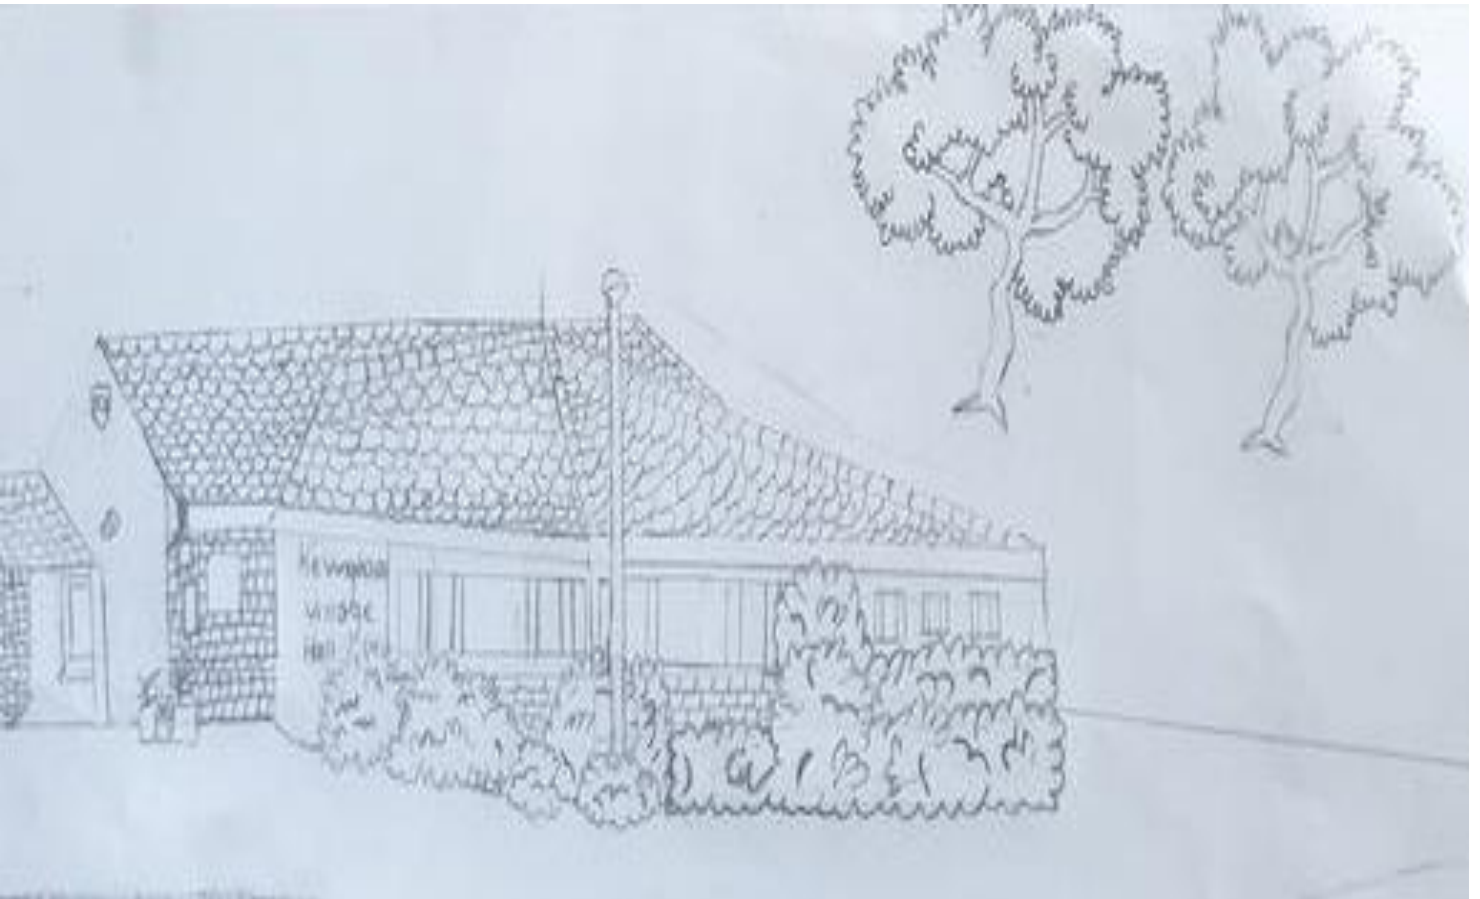

Sofia Martinez: I like the woods and the animals in the village.

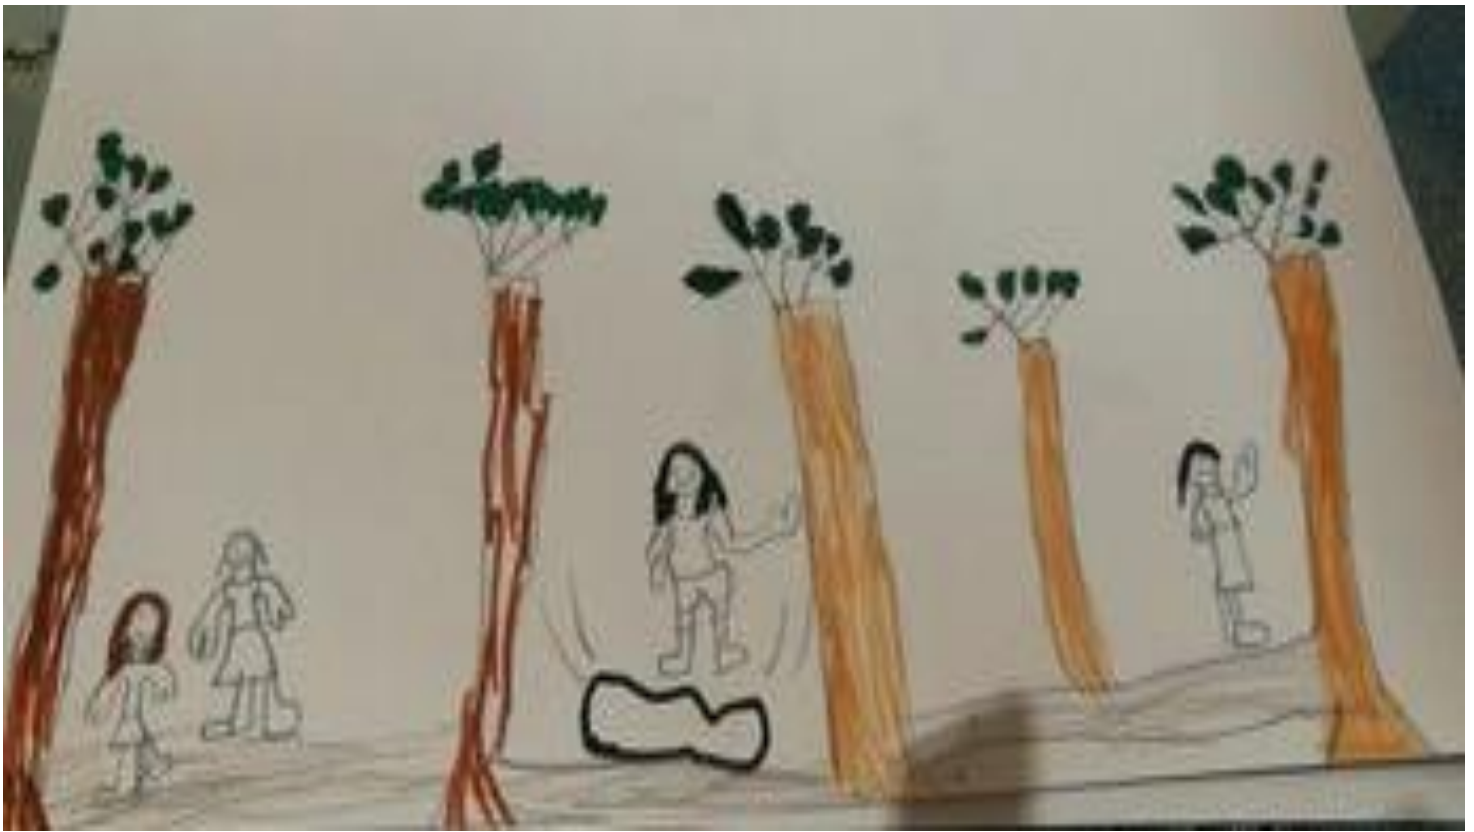

Bethany Sharpe: Bethany's picture is of the green, as she likes how we bump into people there and remembers group snowball fights and building snowmen together there.

Also, where we put the rocks as a community for poppy

Gabriella Martinez: This is our village Hall .

Mia Sharpe : Mia's in woods and jumping in puddles x

Runners up Evie Camelford "I like Hevingham because we are quite close to the woods and I enjoy going for bike rides"

Runners up Lucia Camelford "I like Hevingham because I can see my friends, wave to them and talk to them".

HEVINGHAM LAUREL CLUB (briefing paper) working in conjunction with

Background

Hevingham Laurel Club (HLC) was established in March of 1995, taking over the long established Hevingham Over 60's Club.

HLC introduced a monthly luncheon club and a hot meals delivery service catering for local needs. HLC has been managed by a Committee who have worked hard to support the local community, but it is now appropriate to bring the work of HLC to an end and to transfer funds to another voluntary community group.

The HLC Constitution

The Constitution dated 22nd March 1995 provides that HLC shall "promote the relief of elderly people in any manner that now or hereafter may be deemed to be charitable within the Parish of Hevingham".

The constitution allows the committee to admit to membership any person who is 55 years of age or over. The financial year of HLC runs from 1st April to 31st March.

By Clause 11 of the Constitution, if the Committee decides that on the grounds of expense or otherwise that it is desirable that the Club be dissolved it should call a Special General Meeting of the Club by giving 21 days' notice in writing to each Club member stating the terms of any resolution to be proposed.

If the Special General Meeting passes the resolution by a simple majority of those present and voting the Club shall be dissolved and the Committee shall wind up the Club's affairs.

Surplus funds are to be given to such other charitable organisation for the benefit of elderly people as the Committee shall, with the approval of the Charity Commissioners, decide.

Whilst operating charitably and "not for profit", HLC is not a registered charity.

1 of 3 SLC briefing2

Notice

Notice of the retirement of HLC cooks has been given to all village people by 4 quarterly village magazines and the retirement of Committee members by March of 2021 was also advertised in this way.

No written response has been received from members of the community in relation to vacancies for cooks or Committee members.

The Committee informed Hevingham Parish Council, Age Concern and Community Action Norfolk of the likelihood that HLC will be wound up.

The Committee have approached The Hevingivers, another voluntary community group operating in Hevingham with the objective of "planning, organising and delivering a variety of community events in order to encourage engagement of the whole of Hevinghams' community and activities which will improve the quality of life in Hevingham and raise money for various nominated charities".

Membership of The Hevingivers is open to residents of Hevingham aged 18 and over and the affairs of the organisation are managed by a co-ordinating group.

Proposal

Recognising all of the current circumstances, the Committee intend to wind up the affairs of HLC and distribute surplus funds by payment to The Hevingivers who have agreed to receive these monies so that they might promote HLC objectives in the future.

Face to face meetings being difficult to hold and there being no power or provision within the Constitution to hold virtual meetings, the Committee propose that a postal vote on their proposal be taken and that following the notice of this proposal and consideration of responses received, final winding up actions will be taken. Whilst amending the Constitution to permit a virtual meeting may be possible, that too requires a members' resolution which is not going to be possible to secure whilst in 'lockdown'. The Committee also appreciate that they might 'simply' make a grant to The Hevingivers of their net funds and by so doing exhaust their finances and in effect bring the work of HLC to a close.

It is however considered expedient and also transparent that the Committee proceed as outlined in this briefing paper

2 of 3 SLC briefing2

Notice of this proposal will be displayed on Council noticeboards and through other local social media. The formal resolution to be voted upon will be:

"That the Committee of Hevingham Laurel Club be authorised to dissolve the Club and after settling all costs and expenses remaining funds of the Club are to be gifted to The Hevingivers for them to apply towards HLC objectives as they deem appropriate."

The Committee wish to hear the views of members and others interested in the work of HLC by 21st February 2021. Residents will be informed of the outcome of the Committee's deliberations in the spring/summer village magazine.

Contact and further information

For further information, please contact Anthea Coldham, Honorary Secretary of HLC, by post at 4 Westgate, Hevingham or by email at arcoldham@aol.co.uk.

3 of 3 SLC briefing2

HEVINGHAM LAUREL CLUB

Public Notice

The Committee of the Hevingham Laurel Club propose that it be dissolved and that the net assets of the Club be transferred to The Hevingivers voluntary community group for them to manage in the future.

The formal resolution to be voted upon is:

"That the Committee of Hevingham Laurel Club be authorised to dissolve the Club and after settling all costs and expenses remaining funds of the Club are to be gifted to The Hevingivers for them to apply towards HLC objectives as they deem appropriate."

The Committee intend to conduct a postal/email vote on this proposal and invite all members of the Club (and any other resident of Hevingham interested in its work) to contact the Honorary Secretary Andrea Coldham at 4 Westgate Hevingham or arcoldham@aol.com for more details.

It is proposed that the results of the vote will be considered by the Committee on Monday 22 Feb 2021.
By Order of the Hon Sec.

UPDATE 02/03/2021

There was no objections from village people to the change of constitution.

I can now confirm that the Laurel Club will be closing.

On behalf of the Village, I would like to say thank you to all who are part of the Laurel Club and the help you have provided to the residents over the years. *Tracey*

LAUREL CLUB MEMORIES

Hevingham Village Hall

Brick Kiln Road, Hevingham, Norfolk NR10 5NL - Tel: 01603 754570

Hello everyone. The village hall is still closed due to the latest Lockdown so we have used the time to get a little decorating done.

We have another leak on our front flat roof which will probably result in a full replacement roof! Many thanks to John Haverson who got up and put a tarpaulin over the roof in the pouring rain just before the snow. Hopefully it will stay watertight for now.

We are currently getting quotes and looking at the best way to replace the roof and sort out existing problems with constant drips near the front door.. watch this space.

It's great news that the Hevingham Parish Council have plans for the Village Hall grounds, as seen in the last Hevingham News. Let's hope it all gets going this year.

Open to children aged
2-4 years
Spaces available for
September

OPEN MONDAY – FRIDAY 9AM – 3PM

Snowy Days – We had a very good dusting of snow. Although fun for some, it didn't come without causing problems on the roads. The village was cut off at one point due to drifts. Everyone helped each other though and it was lovely to see so many snow creations being built around the village.

Photographs taken in the lanes of the snow and drifts by Stephanie Watkins.

The children of Gibson's Row made a wonderful Snowman. And a photograph of the snow-covered Church and yard by Margaret McPhee.

Below – Icy photographs by Francine Ward.

Pollys Pantries – Catherine Guy.

I would like to introduce our local celebrity chef Polly Guy, winner of Come dine with me, and also won the champion of champions where she was up against 75 others.

Polly has worked for the Queen and with many celebrity chefs such as Ainsley Harriott, Tom Kerridge and Jean Christophe Novelli.

Some of you may know her as partner to Tim Kemp. Polly has helped cook for people during the pandemic and continues to take orders. She runs Polly's pantries and I have to say, whatever the occasion I believe she will provide the best food. Polly is offering Mother's Day afternoon tea box at a fair price of £20.00. Tea list - *cheese herb scones, Twix rocky road, white chocolate Eaton mess rocky road, scones jam and cream, bread/butter, heart shaped biscuits, selection of sandwiches.*

Polly is also offering take away meals such as beef feather blade with creamy potatoes, onion rings, carrots slow cooked in butter, spinach or Lamb shank with tomato chickpeas thyme on a bed of roasted vegetables couscous. Meat from our local butchers.

And if that doesn't fill you up why not try a desert like Bakewell tart with custard, lemon meringue pie, profiteroles filled with vanilla cream and a luxurious chocolate sauce or sticky pudding with toffee sauce and cream or Cheesecake, crème caramel.

And if you pop over to her page you will see Polly also makes Chutney in jars to go with her dishes.

This is just a sample of what Polly has to offer. She also makes cakes to order for occasions. Please pop over to her page and give her a look.

HEVINGHAM SPEED SIGN RESULTS

(since last magazine)

THE HEATH (20TH October 20 – 22ND December 20) – 30MPH LIMIT (7)

10,615 vehicles drove past.

9,023 within the 85th Percentile Limit of 33.9mph.

1,592 over the 85th Percentile Limit.

Average speed of those over the 85th Percentile Limit was 34.6mph.

Overall average speed 27.1mph.

Max speed recorded was 60mph at 19:55 on Friday 27th November 2020.

The **85th Percentile Speed** is the speed that 85 percent of vehicles do not exceed. Another way of looking at this is that only 15 percent of vehicles go faster than this speed, and 85 percent go at or below this speed. The 85th percentile speed may vary slightly each time as this is based on the first 85 vehicles in 100 and is dependent on the speed that the vehicles are going through the sign. This is better than taking an overall average and it excludes the odd high speeders which would give false figures.

Drivers who exceed the 90th percentile have a significantly higher risk of crashing.

The Police use the 85th percentile speed to set speed limits and check they are appropriate.

MINUTES OF THE MEETING OF HEVINGHAM PARISH COUNCIL HELD ON 6th OCTOBER 2020 AT THE VILLAGE HALL

Present: Parishioners: 6
Cllr P Carrick (Chairman)
Cllr A Bunn In attendance:
District Cllr J Neesam
Cllr I Nickalls
Cllr A Ramsbottom
Cllr S Ward
Cllr D Holmes
Cllr M Williamson
Cllr S Benton
Cllr S Howes
Cllr T Palmer
Cllr J Norton
Mrs K Medler (Clerk)

1. APOLOGIES

Apologies were received from County Councillor D Roper.

2. DECLARATIONS OF INTEREST AND DISPENSATION REQUESTS

There were no declarations of interest or dispensation requests.

3. MINUTES OF THE LAST MEETING Minutes of the meeting held on the 1st September 2020 were agreed by all and signed by the Chairman.

4. MATTERS ARISING - BDC have confirmed the fence erected at Mission Cottage is within the permitted development provisions and therefore does not require planning permission.

The Clerk is still waiting to hear further from the NCC Highways and Boundaries Teams regarding the extension of the fence onto 'the beck' bridge.

- The bin in the village hall shed which was going to be put into the play area doesn't actually have a lid and so will fill with water when it rains.

Mr Seppings has been emptying the current bin twice a week and says doing this prevents the need for an additional bin. It was agreed to leave with one bin for now and keep a watch on this. (Just for information, the chains on the Basket Swing broke recently but Mr Seppings quickly repaired them).

5. PUBLIC PARTICIPATION - A member of the public said she had received a letter from The Woodland Trust asking for donations and wondered if the Parish Council would like to make a donation.

This will be considered under correspondence.

6. MATTERS FOR DISCUSSION AND DECISION

a. Finance

- i) The following accounts were presented for payment and were approved:

Mrs K Medler (Expenses)	£68.17
Hevingham PCC (Grass cutting at the Church as agreed)	£225.00
Norse Eastern Ltd (Magazine printing)	£253.00
NPT&S (Training Cllr Ward)	£36.00
F Martinez (Handyman jobs)	£1305.00
P H Collins (Grass cutting contract Aug / Sept)	£775.00
HMR&C (PAYE x3)	£131.60
David Seppings (Works at Village Hall)	£91.00
Ed Robinson Plumbing & Heating (Installation of second allotment tap)	£349.00
Fenland Leisure Products (Toddler swings and bolt caps)	£196.80

The Clerks standing order was paid on the 5th October 2020.

The following receipts were noted:

Magazine adverts	£85.00
BDC (Precept-2 nd instalment)	£6,600.00
Balance at the bank now stands at	£42,826.92.

The half yearly accounts were circulated and accepted.

- ii) It was noted and accepted that the Clerk's salary has been increased in accordance with NALC / NJC scales to be backdated to 1st April 2020.

b. Trees and hedging around Village Hall.

The Clerk advised the area is going to need a lot of work and feels a schedule really needs to be drawn up to enable quotes to be obtained. It was agreed it would be better to ask someone who knows more about this to inspect and provide a schedule.

The Clerk will ask Mr Bambridge to do this and also ask him to provide a quote for the works. Two further quotes will be required.

The Clerk will ask the handyman to deal with one small tree which is currently leaning towards a neighbouring fence.

c. Trod path hedging

The Clerk advised more hedging is definitely required and this is the best time of year to plant it.

Following discussion, it was agreed the Chairman will speak to Felthorpe Nursery and purchase the appropriate hedging and protectors / stakes and Cllrs S Benton, S Howes and D Holmes agreed to plant them.

d. Remembrance service

Cllrs M Williamson and J Norton agreed to attend the service on the 8th November. All agreed Cllr M Williamson should lay a wreath and design K was chosen with a donation of £100.00 to be made.

The Clerk requested a cheque made payable to herself for this, as payment can only be made online and the Council do not have a debit card to be able to do that. This was agreed.

e. Grass cutting in the village

The Clerk has tried to obtain 3 quotes however only our current contractor has come back with a price. All agreed our current contractor should continue for another year (without the additional cost of scarifying etc).

f. Herbert Phillipo Fund Under 5's The Headteacher has requested the agreed funds however the Clerk is still awaiting sight of the invoice (s) to be able to arrange this. The Under 5's are now open.

g. Allotments

i) Updates The second tap has now been installed. The lock on the older tap is proving difficult to use so a combination lock will be bought for that one. The keys will still fit the newer tap lock.

ii) New issues - Cllr M Williamson felt plots 14/15/16 needed to be sprayed but the Clerk advised 16 is in use so that is not necessary. See further discussion below regarding 14/15.

- The organiser of the Community Plot put forward some suggestions for the allotment site and the following was agreed:

The current community plot (19) will be shared and paid for by two of the families who currently work on it.

14/15 will become a bigger community plot with 14 being free and 15 being paid for. (If it is found that these plots need spraying, they will come back to the

Parish Council but they would rather keep these organic).

It was agreed a poly tunnel could be erected on plot 14. The orchard can be planted with bulbs and wild flowers (providing the other tenants are happy with wild flowers) and made into a pleasant space with some wildlife houses too.

An Open Day can be organised for the 31st October 2020 as long as all guidelines concerning Covid are adhered to. R Rolf will be the site rep for the allotments so tenants and the Parish Council have one main point of contact who will raise any issues and progress ideas - two other tenants are prepared to assist with this too.

The Clerk was given permission to pass on the necessary contact details to the members of the allotment committee.

iii) Rent reviews Following discussions, it was agreed the rents for both the village and farmers allotments should remain unchanged for another year. (Cllrs M Williamson and T Palmer left the room during discussions on the farmers allotments).

h. Planning 20201653 – Pound Farm, 66 The Street – Various works required on this listed building - No objections.

i. Village Hall Playing Field Community Project Cllrs S Benton and D Holmes presented a basic plan which they would like to take forward along with R Rolf to make the Village Hall and grounds more of a Community Hub.

Ideas are to install a BMX track, some rustic adult gym equipment, a garden area and a perimeter track for multiple users. The idea is to put together some more detailed plans and costs and present it to the village as a whole, hopefully at an open event. There are grants that can be applied for.

All agreed (including the public present) it was a good idea in principle so the idea should be progressed. One member of the public questioned whether the Parish Council could do this as Custodian Trustees so this will be checked. 1 member of the public left the meeting at 20:50

j. Hevingham Laurel Club The Clerk has confirmed the Parish Council cannot hold any funds for the Club. The Village Hall have said they need Wednesdays back for another booking and so as the Club are not currently using the Hall, they have had to give up the day. The

Club is not expected to re-start before the next financial year now.

There is potentially someone interested in taking on the Luncheon Club but that has not actually been confirmed yet. There are two Meals on Wheels services running nearby who could cover Hevingham. Insurers have now given a refund. It remains to be seen if the Club will continue.

k. Norfolk County Council Boundary Review

Following discussions, it was agreed there were no comments needing submission. 1 member of the public left at 21:00

7. MATTERS TO REPORT

a. Correspondence Following discussions and a vote, it was agreed not to make a donation to the Woodland Trust.

b. Clerks Report The clerk provided the latest SAM results – full details will be printed in the Hevingham News.

c. Village Hall Report Nothing to report.

d. Police Report The Clerk advised she now has the recorded crime details from February to August:

There were 5 crimes in the village during February: 2 violent or sexual offence (on or near The Heath and The Street), 2 public order offences (on or near Pound Road) and 1 theft (on or near The Turn)

In March there were 3 crimes: 1 violent or sexual offence (on or near Nelson Way), 1 anti-social behaviour (on or near Cromer Road) and 1 other theft (on or near Cromer Road).

There were no recorded crimes in April.

In May there were 2 crimes: 1 anti-social behaviour (on or near Open Park) and 1 other theft (on or near Open Park).

In June there were 8 crimes: 2 anti-social behaviour (on or near Pound Road and Westgate), 2 criminal damage and arson (on or near Open Park), 3 violent or sexual offence (on or near Open Park and Cromer Road) and 1 drugs (on or near Cromer Road).

In July there were 3 crimes: 1 anti-social behaviour (on or near Nelson Way), 1 violent or sexual offence (on or near Nelson Way) and 1 drugs (on or near Cromer Road).

In August there were 8 crimes: 5 violent or sexual offence (on or near Open Park and Morgans Way) and

3 public order offences (on or near Open Park and Pound Close).

Further information can be accessed via www.police.uk.

e. Report from Cllrs D Holmes and S Ward on training attended Finance course attended online.

Really good training provided which kept, what can be a boring subject, very interesting.

f. District and County Reports

County The Chairman read Cllr D Ropers report in his absence: - A key area of concern has been the increase in Covid cases reported in Great Yarmouth. This is not a workplace outbreak but appears to be general population spread. The increase initially jumped from 25 to 49 per 100,000 of population and is now at 95. This compares to 19 in Broadland. However, the Great Yarmouth level is still below the national average.

- The budget next year will see another 3.99% Council tax increase. At the moment this is on top of £35m of cuts but this could increase if more government funding doesn't materialise.

At the moment the books are showing that despite the cuts and tax increase the Council will still be £15m short. - One area where I will be following up is that there is a drop in customer satisfaction recorded in recent months. With changes in working arrangements it seems we haven't yet got it right in terms of people being able to get the right answers from the right people.

- Work on the new recycling centre off the NDR will start in January next year, work on the new access road will start in four weeks. The Centre is due to open in September 2021.

- The hazardous waste days were once again popular but with big queues at peak times, the question has been raised about a possible booking system next year.

- I am still following up on school transport. I have been assured that all children within catchment for a school who don't receive free transport should now have access to purchasing a spare seat. If anyone hears of any further problems please let me know. I am aware that the staggered starts at some schools have also caused issues.

District - The service improvement committee met on Monday - they have had lots of complaints from the public and officers about being able to contact people by telephone and how the telephone is answered as South Norfolk. A new telephone system is being rolled out and improvements promised.

- BDC and SNDC have also been concerned about the Gt Yarmouth situation with Covid and have been knocking on doors and leaflet dropping to help.

- The Government reforms to planning may affect the GNLP so this is now being pushed to try to get it completed before the reforms come in.

- If any funding is required, don't forget Cllr J Neesam has access to a small grant of £500.00 which she can allocate each financial year.

The Laurel Club were due to have some of this for their VE Day celebrations, but it was not needed in the end as it couldn't go ahead.

8. MATTERS FOR FUTURE DISCUSSION AND DATE OF NEXT MEETING

Next meeting is on the 1 st December 2020 at 7:30pm in the village hall. The meeting ended at 21:21

Are you fed-up with doing the same old walks?

Walking in Norfolk www.walkinginengland.co.uk/norfolk is the website for you!

With hundreds of walks to download and print, free, it also has books of walks, contact details for all the walking groups in the county and much more.

Whether you want to walk on your own or with a group all the information is there in one place... Walking in Norfolk (part of the Walking in England suite of websites (www.walkinginengland.co.uk) – one for each county in England) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the website and get walking!
